Dear friends,

Last weekend we conducted our annual Catholic Mission Appeal. One example of the missionary Church supported by Catholic Mission is the Church in Ethiopia: Subsistence farming is the way of life for millions of people in Ethiopia. Yet, persistent drought and increasing food prices result in many experiencing health problems due to a lack of nutritious food.

Distressingly, 70% of families in the town of Emdibir are unable to put enough food on the table.

Helping with the practicalities that make life possible is at the core of missionary outreach. Giving to those most in need is a sign of compassion and witnesses to the commandment in love. Catholic Mission is partnering with the local Church in Emdibir to finance a goat farm to help reduce the risk of child mortality in the community due to malnutrition.

2022 is the 200th anniversary of Pauline Jaricot starting the Society for the Propagation of the Faith in Lyon, France. Pauline Jaricot's was beatified on the 22nd May 2022 in Lyon. Pauline is a wonderful example and witness of God's love.

Pauline Marie Jaricot was born on 22 July 1799 into a family of rich Lyon silk merchants. After hearing a Lenten homily against worldly vanities, the then 17 year old experienced a radical conversion, abandoning the worldliness of her previous life, and began to visit and take care of the poor.

In 1820, Pauline received a letter from her brother Phileas, a student at the Seminary of St. Sulpice, in which he explained the needs of the members of the Paris Foreign Missions Society. Pauline gathered the workers in her father's factory into groups of ten to donate a sou (a penny/cent) to support foreign missions. Each participant would then recruit another 'ten'. The 'tens' become 'hundreds' and eventually gathered momentum beyond Lyon. The Society was formally approved in 1822. Your support from this appeal will make a difference to those in less fortunate circumstances than our own. ***Fr Anthony***

If you missed a Catholic Mission Appeal envelope last weekend, please pick one up today. If you take it home, you can return it next Sunday and place on the collection plate.

Thank you for your support.

MASSES THIS WEEK AT ST BENEDICT'S

Wednesday 26 Oct - 9.00am

WORKS AT ST BENEDICT'S Maintenance has recommenced on St Benedict's church with special attention this week to drainage.

Most drains are blocked by dirt and upon further investigation it has been discovered there are several pipes under the church which are not connected properly, hence the problem of dampness and water lying around.

Works on the external timbers of the church and downpipes will continue in the coming weeks.

ST JOSEPH'S CHURCH The front door of the church was damaged during a recent break-in. We have it temporarily secured, and hope to have the door fixed in the coming weeks.

ST JOSEPH'S SPRING CLEAN is proposed for **Sunday 6th November** commencing after mass. We have emailed parishioners who have put their names on the volunteer sheet. The main jobs will be a good dust of all furniture, vacuum all areas, general tidy up to put things away and off the floor. If you can spare an hour, please put your name on the sheet at the piety stall. Thank you.
