### RESPECT - Confronting Violence and Abuse.

In their Social Justice Statement for 2022-2023, Respect: Confronting Violence and Abuse, the Australian Bishops add their voice to global campaigns to confront and call out destructive attitudes and behaviours that lead to life-limiting and long-lasting impacts on many vulnerable members of our families, churches, and society.

The bishops invite us to investigate the scope, drivers, and enablers of abuse. They invite us to familiarise ourselves with programmes that promote the transformation of individuals and structures and to 'take responsibility for changing the cultural factors in our Church and society that have allowed violence against women and children to flourish.'

The voices of victims and survivors of violence and abuse are woven together with scripture, social research, and our rich Catholic social justice teachings. This theological reflection also invites us to contemplate the ways in which themes within our Christian tradition can be misused to justify, legitimise, or normalise violence, such as forgiveness,

submission, and leadership.

Catholic families, communities and organisations are encouraged to engage with the challenging material in the Social Justice Statement. The Statement needs to be read slowly and reflectively, individually, and collectively for its potential to be maximised. We pray that possibilities for response and action will become apparent when the Statement is considered in an open and supportive context. We invite you to practice self-compassion and awareness of the needs of those in our midst who are struggling as the implications of the Statement flow from your prayerful and purposeful deliberations.

President of the Australian Catholic Bishops Conference, Archbishop Costelloe introduces the 2022-23 Social Justice Statement – Respect: Confronting violence and abuse : <https://bit.ly/SJS22-23>.

**WISHING BISHOP KEN** a well deserved rest as he begins leave next week. Blessings for a safe return to us at the end of September.

**LAUREL BLOW SPEAKER SERIES**  
In this October session of the Laurel Blow Speaker Series, an international panel of First Nation speakers from Canada and Australia will share truth telling processes as the basis for reconciliation. The panel will explore the healing that can occur between First Nation peoples and the wider community when there is an opportunity to share the true history of First Nation peoples experiences of colonialism. After sharing their experiences, there will be a time for Q&A and conversation. The Laurel Blow Speaker Series is for anyone wanting to grow in understanding with Aboriginal and Torres Strait Islander Catholics and help make true reconciliation a reality. These Reconciliation Action Plan (RAP) dialogue experiences create a common ground of language and dispel misunderstandings. The series is named after the late Butchulla Nation (Fraser Island) woman, Laurel Blow, who was a significant influence for reconciliation in the Archdiocese of Brisbane. This is the second of two sessions in the series in 2022. Find out more and register your parish group here: [https://app.tickets.org.au/eb/LBSS22\\_2](https://app.tickets.org.au/eb/LBSS22_2)

**A MORNING’S PRAYER**  
Are your parishioners in need of a retreat but don’t have the time? Could they spare 3 hours? Evangelisation Brisbane are hosting another ‘A Morning’s Prayer’ mini retreat at Santa Teresa Spirituality Centre in September. It’s about

providing the space for a profound engagement with the God who loves us and desires to walk with us in our lives as they are. The retreat will be facilitated with a time of input, prayer, reflection and faith sharing, and aim to provide a prayerful respite from the busyness of life. Both parish groups and individuals are most welcome. Find out more and register here: <https://santateresa.org.au/news-events/>
